Prints: PMS 186 and Black

Label Size: 8" width x 2" height

Revision Date: 04/26/10

Sore No-More® Sports Salve is an Arnica based herbal salve containing Tamanu Oil and Aloe Vera. Use on legs and body as a conditioning barrier, to promote healthy skin; and to hooves to promote hydration, elasticity and to enhance overall condition. Excellent for use on all animals with sensitive skin.

DIRECTIONS

Leg Grease: An excellent barrier and protective sports grease to be used prior to competition to prevent or minimize the effects of banging and bruising. Apply liberally to legs, chest and forearms as a protective sports shield.

Leg Sweat: Use as a leg sweat with or without wraps. Apply liberally and bandage. Change daily.

Wound Cream: Use on crusty dry skin patches, burns, skin abrasions, and to help promote hair growth from excessive rubbing.

Hoof Care: A natural emollient that promotes hoof hydration. Apply frequently to the coronary band – 1/2" above and below the hairline and to the bulbs of the heel to soften and to promote elasticity of the hoof.

Made in the USA.
